Course Structure Details

[View Dashboard](#) / [Course Structure Details](#)

Semester	CourseType	CourseCode	CourseName	Specialization
Semester I	Common	BC107	Business Communication	
Semester I	Common	CSITI13	Computer and Information Technology	
Semester I	Common	CSITI40	Programming in C	
Semester I	Common	CSIT325	Human Computer Interaction	
Semester I	Common	MATH111	Basic Mathematics I	
Semester II	Common	BS105	Individual Excellence and Social Dynamic	
Semester II	Common	CSITI23	Operating System Concepts	
Semester II	Common	CSITI24	Data Structure using C	
Semester II	Common	CSITI42	Software Engineering and Modeling	
Semester II	Common	EVS101	Environmental Studies	
Semester III	Common	CSE433	Green computing	
Semester III	Common	CSITI20	Object Oriented Programming Using Java	
Semester III	Common	CSITI27	Network Basics	
Semester III	Common	CSITI32	Introduction to Data Base Management Systems	
Semester III	Common	CSITI39	Computational Statistics	
Semester IV	Common	CSIT232	Python Programming	
Semester IV	Common	CSIT311	Unix Operating System and Shell Programming	
Semester IV	Not Opted Elective	CSIT 359	Introduction to Data Science (Existing course in AIIT)	Elective Courses (General)
Semester IV	Not Opted Elective	CSIT137	Fundamentals of Digital Marketing	Elective Courses (General)
Semester IV	Opted Elective	CSIT224	IT Project Management	Elective Courses (General)
Semester IV	Opted Elective	CSIT243	Fundamental of Cloud Computing and Enterprise	Elective Courses (General)
Semester IV	Opted Elective	IT425	Cyber and Information Security	Elective Courses (General)
Semester V	Common	CSIT334	Fundamentals of Ecommerce	
Semester V	Common	CSIT361	Introduction to Artificial Intelligence	
Semester V	Common	PFE301	Professional Ethics	
Semester V	Not Opted Elective	CSIT312	Introduction to Enterprise Resource Planning	Elective Courses (General)
Semester V	Opted Elective	CSIT136	Internet of Things	Elective Courses (General)
Semester V	Opted Elective	CSIT341	Data Warehousing and Mining	Elective Courses (General)
Semester VI	Common-Project	ETMJ100	Major Project	
Semester VI	Not Opted Elective	HR201	Fundamentals of Human Resource Management	Elective Courses (General)
Semester VI	Opted Elective	CSIT326	Introduction to e-Governance	Elective Courses (General)
Semester VI	Opted Elective	CSIT358	Blockchain Technologies	Elective Courses (General)
Semester VI	Opted Elective	CSIT359	Introduction to Data Science	Elective Courses (General)
